

# END OF YEAR CELEBRATION AND AWARDS

## *Awards Application Form*

The EEEGR Awards are back for 2023! The awards are designed to celebrate the remarkable achievements and developments we have seen in the energy sector over the last 12 – 24 months. This year the awards will take place at our End of Year Celebration event on **5th December at Dunston Hall in Norwich.**

**There are seven award categories with six open for application:**

**The awards will include 'EEEGR Member of the Year' which is closed for application and chosen by EEEGR.**

### **INNOVATION AWARD**

Best piece of physical or digital technology researched or developed over the last 24 months – *open to all.*

### **ONE TO WATCH AWARD**

Start-ups or small businesses – *open to all.*

### **SKILLS FOR ENERGY COMMUNITY AWARD**

Contribution to learning, skills and development – how are companies helping the next generation of the energy sector – *open to all.*

### **YOUNG PERSON OF THE YEAR AWARD**

Apprentice, year in industry or graduate program – *open to all.*

### **GOING GREEN AWARD**

Companies must demonstrate their dedication to combatting climate change, how is their workforce adapting? – *open to all.*

### **RISING STAR AWARD**

An employee under the age of 25 who has been with their company less than 24 months but is showing real promise and development in the industry – *open to all.*

Shortlisted finalists will be notified by **Monday 27<sup>th</sup> November.** The judging panel will shortlist three applicants from each category with the winners announced on the evening of the event.

**All finalists must be available to attend the End of Year Celebration event on the 5th December.**

Please complete the form in this document and return it to the EEGR events team by close of business on 15/11/2023 via [events@eeegr.com](mailto:events@eeegr.com).
