

## **SKILLS FOR ENERGY Energizing the East**

## EEEGR Sophie Skipp

What are you going to do with a... Biology Degree?
But you don't like blood!
Geology Degree?
Look at rocks all day?
Engineering Degree?
You make a fuss when your trainers get dirty!

## Skills: Sixth Form Offshoot

- Consider placement of their own windfarm
- Virtual reality activity
- Welcomed by industry professionals over lunch
- Meet you for a proper chat!
