## SNS 2024 THE ENERGY ECOSYSTEM

22nd & 23rd May, Norfolk Showground & events centre

The infographic is a comprehensive visual summary of the SNS 2024 event. It is organized into several key sections:

- Top Left: Skills & Investment** - Focuses on workforce development, mentioning 'East Anglia Hub' and 'National Grid'. It notes that 'In construction! The great GB UPGRADE' involves '17 projects' and 'largest overhaul for generations'.
- Top Center: The Energy Transition** - Discusses 'Natural Gas', 'Carbon Capture', and 'Renewable Energy'. It highlights that 'It's also an opportunity' and 'What type of car to buy?'.
- Top Right: Inspiring the Future Workforce** - Emphasizes that 'our future workforce IS KEY' and discusses 'Opportunities to travel, to innovate, to learn'.
- Middle Left: Offshore Wind & Development** - Details 'Offshore Wind Development off the East of England', 'Sheringham Shoal and Dudgeon', and 'Norfolk offshore wind projects'. It mentions 'East Anglia 3' with '95 wind turbines' and 'North Falls'.
- Middle Center: Challenges & Opportunities for Innovation in O&M** - Addresses 'Challenges? Decarbonised vessels', 'Standardised supply chain', and 'Partnerships and learn from you'.
- Middle Right: Gender Equality & Research** - Discusses 'How do we approach Gender Equality?', 'Research we are doing', and 'Parental Influence'.
- Bottom Left: Offshore Wind & Development (Continued)** - Mentions 'Offshore Wind Development off the East of England' and 'Norfolk offshore wind projects'.
- Bottom Center: Skills & Talent** - Focuses on 'Skills', 'Talent', and 'Curious Staff'. It notes 'Our ecosystem needs people' and 'Diverse staff'.
- Bottom Right: EEEGR & Future Outlook** - Promotes 'EEEGR EAST OF ENGLAND ENERGY GROUP', 'Green + Blue Hydrogen projects', and 'Carbon capture is essential to meet NET 0'.

The infographic is densely packed with text, illustrations of wind turbines, solar panels, and people, and includes numerous quotes from participants and industry experts.
