

SNS 2025

Stand Booking Guide

Thank you for your interest in exhibiting at SNS2025

Exhibiting at the region's largest energy conference and exhibition will drive awareness of your brand, help you engage with leading industry figures and supply chain, build new contacts and generate leads by showcasing your business through modern and environmentally friendly stand options.

Your stand provider

We are pleased to be working with Total Events again this year to offer you a range of stand sizes, including lighting and a choice of furniture packages, as well as power to each stand and optional graphics.

Making your booking

To book your stand, please email events@eeegr.com or speak to a member of the EEEGR team.

Once your booking is confirmed, we will send you an Exhibitor's Contract to sign - once this is returned, we will send you the specifications for artwork (if chosen) and details for the online webstore.

You will also be given information regarding deadlines for artwork and supporting documentation at this stage.
