# SNS2026

**The East of England Energy Group's (EEEGR) SNS Conference and Exhibition is the region's flagship energy event bringing together international industry leaders and key decision makers from a diverse range of businesses across the sector.**

Each year SNS attracts over a thousand delegates and over 70 exhibitors to Norfolk to celebrate the extraordinary capability of the East of England's energy supply chain.

The SNS conference and exhibition is a highly anticipated event in the industry calendar. EEEGR will be building on the success of last year's event, including Pitch, Pint and Prosecco, an opportunity for EEEGR members to put the spotlight on their ideas and innovations.
